hasanjan2000@gmail.com · +92 312 8779060

I am a confident and technically oriented undergraduate at SZABIST, studying BSCS and my current GPA is 3.57. I am currently in my 4<sup>th</sup> semester and looking for an internship which will provide me valuable experience. I have gained valuable expertise and experience of working in groups and completing target oriented assignments during my last few courses. In essence, I am keen on seeking work exposure so as to further develop my skills while expanding upon my bank of knowledge.

## **EMPLOYMENT/VOLUNTEERING**

### **Tuitions (Aug 2020 - Present)**

Teaching is one of my passions and I enjoy sharing my knowledge and my experiences with others. I have been teaching my siblings before but I have started teaching professionally in order to enhance my experience of teaching, while keeping a professional attitude.

### **Director Logistics at SPECTRUM, St. Patrick High School (Dec 2018 - Jan 2019)**

This was a Science Olympiad hosted by the students of St. Patrick High School. Main responsibilities were to handle the logistics for this event. All the equipment necessary for the event were arranged. Other responsibilities were to receive feedback and complaints from participants regarding the modules, and try to resolve them or take them to the higher authority if required. Maintaining good co-ordination and understanding with other members and work as part of a team.

### **Assistant Director Logistics at PATSMUN, (October 2017)**

Responsibilities included arranging vendors to provide for certain equipment as well as overlook the logistics of the event. Maintaining good co-ordination and understanding with other members and work as part of a team.
